Every Day, Every Student, Gains Knowledge

Welcome to Harns Marsh Middle School, a Magnet Academy for the Arts and Academics. We prepare every student for success by providing a quality and enriching education in a safe and nurturing environment.

At Harns Marsh, our standard is excellence. Our vision is to become a world-class middle school. We operate by the credo that every student, every day, gains knowledge. Our students are learning the language and actions of employment and life.

All children have unique and diverse educational needs and learn best in an environment structured to meet those needs. Our teachers use instructional strategies to meet individual student needs and promote active engagement, which fosters better learning. The Florida State Standards guide every lesson, and we work tirelessly to help every student master these concepts.

We look forward to working closely with you and your child. We also invite you to become a school volunteer! We greatly value your participation, because a strong family-school partnership is a foundation on which your child's education can flourish. Please see the brochure about our school provided below.

PBIS AWARD

Time to celebrate!

We have been recognized by the FLPBIS Project as a 2020-2021 PBIS Model School! Positive Behavior Interventions and Supports (PBIS) is a school-wide framework that, according to national research, enhances student quality of life and reduces problem behaviors. By establishing this framework, we are developing skills, making changes to the school environment, acknowledging appropriate behavior, and using data to identify supports for our students.

As a PBIS Model School, we are committed to the effective implementation of PBIS and are seeking positive and equitable outcomes for all students!

GOLDEN APPLE TEACHER AWARD

The Golden Apple Teacher Recognition Program shines the light on the important and essential role that teachers play in preparing our students to become productive members of our community. The deadline for all nominations is Friday, September 17th, 2021.

For more info: <http://www.leeschoolfoundation.org/>

Our School Closet has urgent needs!

If you have gently used backpacks and boy's uniform bottoms that you no longer need, we can use them!

We love helping our students in getting the essential clothing they need, so they only need to worry about their academics!

Thank you for all your support!

*We also accept new and gently used clothing, shoes, and personal hygiene products.
