Greetings Bulls Families,

While we continue to tread through times of uncertainty, we are excited to begin the 2020-2021 school year! The past several months have been challenging on many levels, but we are hopeful that safely returning to school will bring some normalcy back to the lives of our students. Following CDC guidelines and protocol established by the LCS D Return to School Taskforce, we are confident that our students will have the opportunity to learn and grow in a safe and nurturing environment.

In order to maintain a safe and clean environment, we will adhere to the following guidelines set forth by the School District of Lee County:

- All students & staff members will be required to wear a facemask while on the bus and during the school day
- Students will practice social distancing throughout the school day including during bell changes and in the cafeteria during lunch
- Classroom desks, cafe tables, doorknobs, and other frequently used areas will be sanitized periodically throughout the day

In order to maintain a clear line of communication, we have established multiple avenues to notify parents and families of school news and updates. Our most direct form of communication is through our school website, which can be accessed at hmm.LeeSchools.net. Additionally, parents and families are encouraged to follow us on social media via FaceBook (Harns Marsh Middle), Instagram ([harns_marsh_middle_school](https://www.instagram.com/harns_marsh_middle_school)), and Twitter (@HarnsMarshMS). Students are also encouraged to join their grade level Google Classrooms to receive student information. The join codes for the classrooms are 5hj2uom for 6th grade, 5y6zgc3 for 7th grade, and 2jiz3fy for 8th grade.

Open house will occur virtually this year on Wednesday, August 26th at 5:00 pm via Facebook. The video will also be uploaded to the school website on August 27th.. We will provide a tour of the building, discuss scheduling, review Covid-19 safety procedures, and answer frequently asked questions.

We look forward to getting back to school, both in person and virtually. Please feel free to call the school or email any administrator with questions.

Sincerely,

Alex Dworzanski
Principal
